2002 Football Schedules Available On-Line July 1

Football schedules for MHSAA member schools for the upcoming 2002 season will be available on the Association's Web Site – mhsaa.com – by July 1.

There are two different reports available: By school in an HTML and PDF format; and week-by-week in an HTML format. Adobe Acrobat Reader is required to access the PDF file.

To get to the schedules, click on the **Sports** link on the home page of the MHSAA Web Site, and then click on **Football**.

Football is the only sport in which schools are required to submit schedules to the MHSAA office, as they are a vital part in determining qualifiers for its post-season playoffs. Since we have the information available, we are pleased to share it with you.

Please note that because of their availability on-line, football schedules will not be mailed or faxed this year.

Feel free to publicize the availability of the football schedules to your readers/viewers/listeners.

As always, give us a call if you have any questions, or if we can be of service to you in any other way.
