Start will be on the JV football field.

From the start the course runs diagonally across the practice fields towards the houses.

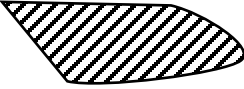

The course turns right and runs behind the JV baseball diamond following the perimeter of the fields.

When the runners cross the sidewalk, the course runs diagonally towards the houses, turning left out the gate behind the baseball diamond.

The course then runs past the pole vault runways and completes a counterclockwise loop around the tennis courts and softball diamonds.

It then passes past the pole vault pits (possible 2-way traffic) and re-enters the gate into the practice fields.
