

2025 BOYS REGIONAL TOURNAMENT GOLF ROSTER

A team of no more than five players will be allowed to compete in the Regional tournament. **A school may use four or five players in Regional and Finals Tournaments, with the score of the best four to count for TEAM SCORE.** If less than four players are entered, the players will be competing for individual honors ONLY. All greens fees must be paid by the participating school, either in advance to the tournament manager or at time of check-in. Checks should be made payable to the host golf course, not host school.

Players will be grouped by team waves for the Regional tournament based on average regular season team scores. The listing below is the ranking of your players 1-5. Make sure they are listed in rank order. Please list the names of the team members and include your average **team score**. Those names listed on this ROSTER will comprise the probable players in the Regional Tournament. Any changes in the ROSTER (substitutes) must be submitted to the Tournament Manager at least 30 minutes prior to the start of the designated tee off time.
