## **2024-25 Audio Promotional Messages Follow; Audio & Video Messages Available For Download @ MHSAA.com**

The pages that follow are MHSAA audio promotional announcements for your station's use during your regular or sports programming for upcoming school year. Each announcement runs approximately 30 seconds.

We are also pleased to announce that many of these seasonal announcements, as well as other year-round 30 and 60-second audio PSAs, are available as audio files on the MHSAA Website for you to download in MP3 format. You can also find current MHSAA video promotional messages on our website. All of the audio and video messages can be downloaded [here](#).

Also available for download on that page are promotional messages from the National Federation of State High School Associations, co-branded with the MHSAA and the Michigan Interscholastic Athletic Administrators Association.

There is also a disclaimer script included in this packet, designed for your announcers to read when they are originating an MHSAA post-season tournament event.

The Michigan High School Athletic Association is a **non-profit** interscholastic athletics service organization, made up of **member schools from your community** and other parts of the state. The Association office is based in East Lansing. We hope that you will find these announcements useful. We will be contacting you on a seasonal basis to advise you of available updates.

Outlets originating contests in any MHSAA-sponsored tournament are required to provide 90 seconds of air time to the Association per game. These scripts may be used to fulfill that requirement.

If you have any questions, or desire additional material, feel free to contact our office at 517-332-5046 or by e-mail – [jon@mhsaa.com](mailto:jon@mhsaa.com).

The MHSAA is a private, not-for-profit corporation of voluntary membership by over 1,400 public and private senior high schools and junior high/middle schools which exists to develop common rules for athletic eligibility and competition. No government funds or tax dollars support the MHSAA, which was the first such association nationally to not accept membership dues or tournament entry fees from schools. Member schools which enforce these rules are permitted to participate in MHSAA tournaments, which attract approximately 1.4 million spectators each year.

### **Sportsmanship - 1**

We've always said that Sportsmanship is the Golden Rule in action. But why should it stop when the game is over? Now more than ever, we need to respect each other and treat each other with common decency not only between the lines – but outside the lines in our daily lives. In sports and in life – nothing beats good sportsmanship. A message from the Michigan High School Athletic Association: promoting the value – and values – of educational athletics.

### **Officials Recruitment - 1**

Everyone in sports is in search of the elusive perfect game. Making every shot. Completing every pass. Striking everyone out. Getting each call right. That's right. Game officials enjoy the competition and seek perfection just like the players do. If you still have that competitive streak, and want to help kids by giving back, maybe becoming a high school official is for you. To register - log on to MHSAA Dot Com. ## **Officials Recruitment – 2**

The love of the game draws us to sports – as players, coaches, spectators and officials. For officials, it’s a way to stay in the game they once played – to feel the thrill of putting on the uniform, stepping onto the playing surface, hustling to make the call, and building the relationships which can only be built in sports. If you still have that love for the game, we always need new officials. Register now at MHSAA dot com.
