

PARTICIPATING SCHOOL TOURNAMENT INFORMATION 2024-25 MHSAA TENNIS

1a. TOURNAMENT FORMAT – (Lower Peninsula)

The MHSAA Lower Peninsula Boys and Girls Tennis Tournaments are conducted in four equal Divisions by enrollment. MHSAA Tournament competition at the Regional level will be conducted on a team basis, with teams and/or individuals advancing to the MHSAA Finals. A regular season team shall consist of four singles and four doubles matches. All matches shall be best-of-three COMAN tie-break sets. Each match won by a team member by play or default will count as one point toward a team or total score. The team score is based on the total cumulative score of each team entry.

Finals Qualification:

8 Regionals: Schools will be assigned to one of <u>eight</u> Regionals when there are <u>MORE</u> than 288 schools that sponsor the sport.

- Teams in the top 3 in the Region would automatically qualify for the Finals.
 - Should there be a tie for third, the tie would be broken by determining which team had lost the fewest sets as a percentage of the matches played, and that team would advance. If there were still a tie, it would be broken in the same manner based on the fewest games lost as a percentage of matches played.
- Any team that scores 18 or more points in a draw of 16 will qualify for the Finals level.

2. TOURNAMENT PROCEDURES

REGIONALS (L.P.)

Entry, Eligibility, Ranking - Only a bona fide team (minimum of four players) may participate in the MHSAA Regional Tournament. All teams will play four Singles and four Doubles matches. Individuals will be limited to competition in EITHER singles or doubles play. (A bona fide team means the school has an actual schedule for the current school year and has participated in four or more matches during the current school year.)

A player must be a bona fide member of the school team (has represented their school in a high school match) before the entry deadline. The player's name must be on the Eligibility List <u>and</u> Regional Lineup Sheet when submitted.

All coaches MUST play their BEST player at No.1 singles.

All team members are to be ranked in position according to their ability (singles-flight one, two, three, or four OR doubles-flight one, two, three, or four). Doubles teams shall be ranked according to the ability of the two players as a team and not as individuals. (See 8A)

A player must have played a majority of <u>all</u> matches played at that flight in which they are entered for Regional play. If there are extenuating circumstances (i.e., illness, injury during the season), <u>ranked ability</u> shall take precedence over majority.

Every effort must be made to establish the lineup early in the season. <u>The moving of players to various positions is strongly discouraged.</u>

STACKING

Stacking is having players not in rank order as defined by the MHSAA rules. Any lineup changes must be verified by current challenge matches.

Challenge Match – A coach needs written verification to explain his/her lineup and must use a consistent format throughout the portion of the season when challenges are allowed.

Definition of stacking – Players are **NOT** in ranked order. Why is stacking wrong?

- a. It is against the stated rules and policies of the MHSAA.
- b. It violates the true spirit of athletic competition.

Is it stacking, playing your second-best player in doubles?

No, as long as it is done as a permanent position. If not, what is wrong with having your second-best player switch back and forth between singles and doubles?

Switching back and forth:

- a. Complicates seeding for Regionals and Final
- b. Is unfair to your own players/team
- c. Becomes a guessing game with your lineup with opposing coaches

Moving players lower in the lineup because of discipline is not permissible.

Utilization of Players – When you have less than 12 team members on your published team roster;

- 4 players: play No. 1, 2, 3, 4 singles
- 5 players: play No. 1, 2, 3 singles No. 1 doubles
- 6 players: play No. 1, 2, 3, 4 singles No. 1 doubles
- 7 players: play No. 1, 2, 3 singles No. 1, 2 doubles
- 8 players: play No. 1, 2, 3, 4 singles No. 1, 2 doubles
- 9 players: play No. 1, 2, 3 singles No. 1, 2, 3 doubles
- 10 players: play No. 1, 2, 3, 4 singles No. 1, 2, 3 doubles
- 11 players: play No. 1, 2, 3 singles No. 1, 2, 3, 4, doubles

8 Regionals: When 8 Regionals are assigned, the following qualifications will be used.

- The winning and runner-up team from each Regional, and any team that scores 18 or more points in a draw of 16 will qualify to the Final level.
 - Any school with <u>10</u> or more points in a draw of <u>eight</u> will qualify for the Final level.
- Any No. 1 Flight Singles winner or No. 1 Flight singles runner-up who is not a member of a qualified team,
 will qualify to the Final Tournament.
- Any No. 1 Flight Doubles winner or runner-up who is not a member of a qualified team and whose team has also qualified for their No. 1 Singles flight will qualify for the Final Tournament.
- All individual entries will be drawn into the No. 1 Flight with the No. 1 Flight team players and will compete for individual honors.

6 Regionals: When 6 Regionals are assigned, the following qualifications will be used.

- When the number of participating schools in the sport of lower peninsula tennis drops to 288 schools (72 schools per Division) or below, the MHSAA will conduct 6 Regionals in that sport.
- Teams in the top 3 in the Region would automatically qualify for the Finals.
 - Should there be a tie for third, the tie would be broken by determining which team had lost the
 fewest sets as a percentage of the matches played, and that team would advance.
 - If there were still a tie, it would be broken in the same manner based on the fewest games lost as a percentage of matches played.
- The existing point requirement to qualify as an additional team pointwise would remain in effect.
- The requirements for additional 1st Singles/1st Doubles Qualifiers would remain in effect.

Seeding – A place is provided on the Regional Lineup Sheet to designate those players whom you feel deserve seeding consideration. Place a check before their name and <u>attach</u> the Player Season Report (PSR – generated by TennisReporting.com) to the Regional Lineup Sheet. You are encouraged to be present at the Regional Seeding Meeting if at all possible. The season records and total number of matches, as indicated on the Regional Lineup Sheet, <u>must</u> be updated with current information at the Seeding Meeting or prior to it.

<u>NOTE</u>: Season records include only regular season contests. No scrimmage or non-interscholastic play results are to be considered. Any player in the tournament may be given consideration for seeding.

<u>Player Season Report</u> – A **Player Season Report (PSR)** – generated by **TennisReporting.com**, must be presented with entry materials. The Player Season Report (PSR) is considered part of the entry material and *must be* complete, accurate, and legible. A \$50 late fee may be assessed by the Regional Manager if the Player Season Report (PSR) does not meet all requirements. A separate sheet MUST be presented for each player and doubles team entered. Defaults are to be part of the player's permanent record and included on the Player Season Report (PSR). The reason for the default must be stated on the sheet.

The Player Season Report (PSR) must be updated online (at TennisReporting.com) daily as the season progresses. The Player Season Report (PSR) should reflect matches played as current as possible without missing the deadline. Make sure the Player Season Report (PSR) is accurate and includes all matches: this includes all regularly scheduled matches of your high school team. These contracted matches should be counted regardless of the scoring system used. Scrimmages or outside competition for the individual shall not be considered.

Substitutions – After the Regional Lineup Sheet has been received by the Tournament Manager, substitution is to be allowed only in the case of illness, injury, discipline, immediate family tragedy, or academic commitment (e.g., Advanced Placement test). A letter from the school must accompany the name of the substitution. The substitute must be placed into the same position as the person for whom the substitution is being made. Juggling the lineup is not permitted. If a substitution is to take place prior to the Opt-Out deadline time, a coach is expected to substitute by ranked order of ability. A major change in many of the flights is not permissible. If a substitute is used for a player in the Regionals and that team qualifies for the Finals level, the player for whom the substitution was made may represent the school in the Finals level in the original position of entry. In case of injury or illness, causing the player to terminate play, no substitute is allowed, and a default is awarded to the opponent. If a substitution is made after the Regional Tournament, for the allowable reasons, once the Final Draw is completed, the substitute is the player of record.

Deadline to Make a Substitution at Regionals & FINALS - At Regional and final tournaments, any substitution must be made before the end of the last scheduled coaches meeting prior to play. If there is a possibility of a seeded player not being able to play, the coach should notify the tournament manager in advance.

Majority Rule Violation at Regionals – The Regional committee has the authority to correct line-ups that do not meet the requirements of the majority rule. The school's coach in question should present information concerning extenuating circumstances to the committee while considering the matter.

A modified USTA point penalty system for lateness and violations will be used.

Warm-Up – The warm-up before each match shall not exceed 10 minutes - this includes the serve.

Rest – Between matches, a player or doubles team will receive at least 30 minutes. The time may be shortened if both coaches agree. Between the second and third set, a maximum of five minutes may be taken.

Maximum Number of Matches for Contestants – A player or doubles team may participate in no more than **117** games in a given day.

Scoring – Each match won by a team member by play or default will count as one point toward a team's total score (in case of a bye in the first round, a player must win the second-round match before that player receives a point for the bye). The team score is based on the total cumulative score of each team entry.

Penalty for Unsportsmanlike Conduct After Match – For flagrant unsportsmanlike conduct after a match is completed, the offending player will be defaulted and removed from the site as soon as authorized school personnel become available. This removal will be for the duration of the event (Regionals and Finals are considered one event). In addition, one point will be deducted from the player's team score. This rule will be in effect for all MHSAA Tennis Tournaments.

NOTE: If a player is defaulted from the Regional level, a substitution at his/her position is NOT allowed.

FINALS

The winning and runner-up team from each Regional, and any team that scores **18** or more points in a draw of 16, will qualify for the Finals level. (Any school with **10** or more points in a draw of eight will qualify for the Finals level.) Any No. 1 Flight singles winner or runner-up who is not a member of a qualified team, will qualify to the

Final Meet. Any No. 1 Flight doubles winner or runner-up who is not a member of a qualified team, whose No. 1 singles was a flight champ or flight runner-up, will also qualify for the Final Meet. All individual entries will be drawn into the #1 Flight with the #1 Flight team players and will compete for individual honors. The MHSAA Seed Committee will determine all seeds for the Finals.

It will not be necessary for coaches of qualified teams or individual entries to forward a Finals Meet Regional Lineup Sheet; however, each coach must update the **Player Season Report (PSR)**. The Regional Lineup Sheet and Eligibility List previously submitted, along with the **updated** Player Season Report (PSR), will be forwarded with the meet results by the Regional Manager.

Player Position in Finals Meet – Members of qualified teams must compete in the same Flight at the Finals level as at the Regional level.

Substitution – If a substitute was used for a player in the Regionals and that team qualifies for the Finals, the player for whom the substitution was made may participate in the Finals. At the Finals level, a substitution may be allowed only in the case of illness or injury, discipline, immediate family tragedy, or academic commitment. **The school must submit in writing the reason and the name of the substitute. After the Final Draw, no additions can be made, and the substitute is the player of record.**

Finals Meet Seeding – Any coach, who feels their player/players should be considered for a seeded position at the Finals MUST have an updated information sheet in the hands of the closest Area Seeding Director by the required time and date. This information <u>must</u> be in writing. A phone call with pertinent information will assist the Director. However, your presence at the Sunday afternoon area meeting is strongly encouraged.

At the Final tournament, if there are (21) to (23) #1 Singles or #1 Doubles players in the draw, up to (7) players may be seeded. If there are (24+), up to (8), players may be seeded.

Finals Meet Draw – The Seeding Meeting will be conducted by Area Seeding Directors and Finals Level Managers.

Enforcement of the Majority of Matches Rule – If a player does not meet the requirements of the Majority Rule at the Regional, the team's lineup will be adjusted so that it complies. The Final Seed Committee has the authority to correct a lineup that is deemed in violation of the Majority Match Rule.

Tournament Substitution & Redraw Rule – When a seeded player withdraws on the day of the tournament, the tournament manager will adjust the new seeds so that they are on the proper line for their seed. This would include the provisional seed. The seeds will be adjusted, but the bracket will <u>not</u> be re-drawn (playing against the same team more than two times is allowed if dictated by the seed adjustment).

Penalty for Unsportsmanlike Conduct After Match – For flagrant unsportsmanlike conduct after a match is completed, the offending player will be defaulted and removed from the site as soon as authorized school personnel become available. This removal will be for the duration of the event (Regionals and Finals are considered one event). In addition, one point will be deducted from the player's team score. This rule will be in effect for all MHSAA Tennis Tournaments.

NOTE: If a player is defaulted for unsportsmanlike conduct, no substitution is allowed.

Use of Indoor Facilities – MHSAA, in cooperation with the respective tournament manager, will authorize the use of indoor facilities under adverse weather conditions. If indoor facilities are available and approval is given by the MHSAA, the tournament may be moved indoors. **The MHSAA will pay for the courts at the <u>FINALS ONLY</u>.**

Coaching Supervision – No individual or team may participate in an MHSAA Tournament event UNLESS ACCOMPANIED TO THE EVENT BY THE COACH, administrator, or appointee of the school.

Number of Allowable Coaches at Finals - Each school is allowed three (3) coaches on the first day of the Final tournament (as day one is at multiple locations). If additional sites are used, see the grid below. Only two coaches are allowed on the second day of the tournament (when the Finals are back at one location). All coaches (including volunteers) must meet MHSAA requirements.

1 Site	2 Sites	3 Sites	4 Sites	5 Sites
2 Coaches	3 Coaches	3 Coaches	4 Coaches	5 Coaches

State Finals Match Tiebreak - At the State Finals, all round of 32 and round of 16 matches will play a best 2 out of 3 sets match with a match tiebreak (Super Tiebreaker: 1st to 10 pts, win by 2) in lieu of the 3rd Set. All Quarterfinal, Semifinal, and Final matches will be played best 2 out of 3 full sets.

3. OPT OUT POLICIES, ELIGIBILITY LISTS, ROSTERS

The Regional Lineup Sheet, the Player Season Report (PSR), and Master Eligibility List must be properly filled out and sent to the Regional Manager by the Opt-Out Due date:

Girls U.P.	Boys L.P.	Girls L.P.	Boys U.P.
9-27-24	10-2-24	5-7-25	5-23-25

Entry materials need to be submitted to the Regional Manager by the deadline.

The materials include Regional Lineup Sheet, Master Eligibility, and Player Season Report (PSR) for all Singles and Doubles Teams. Please include the list of all registered coaches (to be used during postseason competition) with the Entry Materials.

4. DRAW PROCEDURES

Regional managers will notify participating schools regarding the date, time, and location of the Seeding Meeting. It is strongly recommended that each coach attend the meeting; however, no players or parents are invited. Coaches must have sent complete information on each player; this includes results from the entire MHSAA season. Once the Seeding Meeting is over, the draw and seeds are set. No protest is allowed to the decisions of the seeding committee regarding either seeds or placement of seeds at the Regional or Final Tournament. Once the committee adjourns, there are no appeals, protests, or changes of the seeds or placement of the seeds.

5. TIME SCHEDULE

Regional Managers determine the time schedule for their event. Finals managers determine the time schedule for their event.

6. AWARDS

Regionals – The winning team (total points) will be awarded a team trophy, and team members will receive medals. Medals will be presented to each flight winner and runner-up. In the case of a tie (two or more teams) for first place, a duplicate trophy and medals should be ordered through the MHSAA.

Finals – The winning team and the runner-up team (total points) will receive trophies. Individual medals will be awarded to the winner, runner-up, and semifinalists in each flight. Members of the championship and runner-up teams will be awarded a team medal.

Duplicate trophies and medals will be awarded in case of a tie at the champion or runner-up position. In the case of a tie (two or more teams) for first place, a runner-up trophy will not be awarded.

There shall be no awards of any kind made to any person or group except those provided by the MHSAA for those players competing in MHSAA tournaments.

Extra Medal Order Form - CLICK HERE

7. LIMITS OF COMPETITION

Teams and individuals may have a maximum of 16 competition dates during the regular season.

A player or doubles team may participate in no more than 117 games in a given day.

There are no weekly limits. MHSAA tournament dates do <u>not</u> count against season maximums. A contestant in any sport shall not compete on two different teams on the same date in the same sport.

8. FINANCES

Participating schools will assume all costs of the tournament. This includes transportation, lodging, meals, and indoor courts (if used) at the Regional level. Admission may be charged at the Finals tournaments if the facility is conducive.

BALL FEE – Participating schools are responsible for a \$75 "ball fee" at the MHSAA L.P. Regional and L.P. Finals tournament. This "ball fee" does <u>NOT</u> replace indoor costs associated with indoor facility rental in the event of inclement weather at the Regional level. At the L.P. Regional level, each participating school will send a \$75 check made out to the **Regional host school** by the Opt-Out Due Date. For those schools that qualify for the L.P. Finals, an additional \$75 check must be sent to the MHSAA to the attention of the Finals venue host once your team has qualified. No "ball fee" will be required for individual qualifiers at #1 Singles or #1 Doubles.

9. OFFICIALS SELECTION/ASSIGNMENTS

Tournament management will secure qualified personnel and USTA officials for the Final.

10. PLAYING RULES/ADAPTATIONS

Rules of the USTA will apply to all tournament competitions with all provisions as stated in the coach's manual.

11. MEDIA INFORMATION & REGULATIONS (LINK)

12. SPORTSMANSHIP

When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for the remainder of that day of competition and for at least the next day of competition for that team.

When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching for the remainder of that day of competition and from coaching at or attending at least the next day of competition for that coach's team.

In individual sports, a student or coach who is disqualified in the first round of a tournament that progresses over more than one day may not participate on any subsequent day in that tournament because the student has not qualified for additional rounds. This includes MHSAA tournaments in tennis and individual wrestling.

Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular-season contest. Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply.

Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent, and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials.

If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to continue as the coach, the event is terminated and forfeited to the opponent.

When a contest is interrupted or ends prematurely because of a breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

13. WEATHER POLICIES, SUSPENSIONS, POSTPONEMENTS

When teams are delayed in arriving at tournament sites because of inclement weather, management is

encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

14. INJUNCTION, RESTRAINING ORDER, PROTESTS

If an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.

Protests will not be reviewed by the MHSAA. All disputes must be decided at the site before the game proceeds. The umpires will make the final decision regarding game events. The Tournament Manager will resolve all next game concerns.

15. TOBACCO AND ALCOHOL POLICY

Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches' meetings that they are not to use tobacco at the tournament venue.

16. YOUTH PROTECTION POLICY

During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteers, or paid staff assisting in the event, officials, or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing, and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.

17. UNMANNED AERIAL VEHICLE (DRONE) POLICY

For the purposes of the policy, the word "drone" applies to all Unmanned Aerial Vehicles. The policy is written for all MHSAA tournament contests, while local laws and policies control all regular-season contests.

Drones are prohibited for all indoor tournament contests in all sports. For outdoor sports local, state, and federal laws govern the use of drones. Drones may never be flown over spectators, athletes, or the playing surface. All drones must stay outside of the "restraining line" or the normal footprint of the playing surface. This includes never flying over bleachers, press box, or anywhere that spectators sit or gather for a contest. The operator of the drone must be registered with the FAA and follow local, state, and federal law when flying the drone. https://www.faa.gov/uas/getting_started/register_drone

Drones can never be used to scout opponents' games or practices. Non-school facilities reserve the right to restrict drone use on their property. An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.

18, 50/50 POLICY

MHSAA tournament hosts can conduct 50-50 raffles provided the host site manager requests and receives the appropriate license from the State of Michigan. https://www.michigan.gov/cg/raffles

19. LOCKER ROOM PRIVACY POLICY

Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors that discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

20. SPECTATOR POLICIES

The following general policies apply to spectators at MHSAA Tournament events. Tournament managers may also have additional school, facility, or institutional restrictions and/or policies.

- Banners are allowed with Meet Manager approval.
- · Noisemakers are not allowed
- Smoking is not allowed at the tournament site.
- Spectator Videotaping Spectators may tape but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups; or tripod space and may arrange spectator videotaping from a designated location(s).
- The policies of the local host site shall prevail with respect to pets/animals. Without local host policy, animals or pets shall not be permitted to enter MHSAA tournament venues, including spectator and team areas. However, properly marked, or documented service animals that are leashed or harnessed at all times may accompany spectators paying admission or attending with other approved team or school personnel. Individuals who bring service animals are asked to bring their own waste disposal bags and request special seating in advance of the event if this is needed.

MODEL POLICY FOR MANAGING HEAT & HUMIDITY

Adopted March 22, 2013

- 1. Thirty minutes prior to the start of an activity, and again 60 minutes after the start of that activity, take temperature and humidity readings at the site of the activity. Using a digital sling psychrometer is recommended Record the readings in writing and maintain the information in files of school administration. Each school is to designate whose duties these are: generally, the athletic director, head coach, or certified athletic trainer.
- 2. Factor the temperature and humidity into the Heat Index Calculator and Chart to determine the Heat Index. If a digital sling psychrometer is being used, the calculation is automatic.

If the Heat Index is below 95 degrees:

All Sports

- Provide ample amounts of water. This means that water should always be available, and athletes should be able to take in as much water as they desire.
- o Optional water breaks every 30 minutes for 10 minutes in duration.
- o Ice-down towels for cooling.
- Watch/monitor athletes carefully for necessary action.

If Heat Index is 95 to 99 degrees:

All Sports

- Provide ample amounts of water. This means that water should always be available, and athletes should be able to take in as much water as they desire.
- Optional water breaks every 30 minutes for 10 minutes in duration.
- Ice-down towels for cooling.
- Watch/monitor athletes carefully for necessary action.

• Contact sports and activities with additional equipment:

- Ice-down towels for cooling.
- Contact sports and activities with additional equipment:
 - o Helmets and other possible equipment removed while not involved in contact.
- Reduce the time of outside activity. Consider postponing practice to later in the day.
- Recheck temperature and humidity every 30 minutes to monitor for increased Heat Index.

If Heat Index is 99 to 104 degrees:

All Sports

- Provide ample amounts of water. This means that water should always be available, and athletes should be able to take in as much water as they desire.
- Mandatory water breaks every 30 minutes for 10 minutes in duration.
- Ice-down towels for cooling.
- o Watch/monitor athletes carefully for necessary action.
- Alter uniform by removing items if possible.
- Allow for changes to dry t-shirts and shorts.
- Reduce time of outside activity as well as indoor activity if air conditioning is unavailable.
- o Postpone practice to later in the day.

Contact sports and activities with additional equipment:

- Helmets and other possible equipment removed if not involved in contact or necessary for safety.
- o If necessary for safety, suspend activity.
- Recheck temperature and humidity every 30 minutes to monitor for increased Heat Index.

If Heat Index is 99 to 104 degrees:

All Sports

 Stop all outside activity in practice and/or play and stop all inside activity if air conditioning is unavailable.

Note: When the temperature is below 80 degrees,

there is no combination of heat and humidity that will result in the need to curtail activity.
