2024 MHSAA TRACK & FIELD FINALS

June 1

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That's the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

MAKING A POINT

– MHSAA.com Reports

Every point counted for St. Joseph on its way to the 2023 LP Division 1 Championship

Entering the final event of the 2023 Lower Peninsula Division 1 Final – the 1,600 relay – St. Joseph was in first place by the slimmest of margins.

St. Joseph had 35.75 points, while Rockford had 35, Clinton Township Chippewa Valley had 32, and Ann Arbor Huron had 30.

Bears head coach Todd Rose knew his team was in the second heat before faster teams; his team for sure needed to be faster than Rockford.

“I don’t teach them to worry about who they are running against,” Rose said. “Just run within themselves and run how we teach them.”

St. Joseph did that behind the team of Shay White, Will Fiesbeck, Eli Toney and Alex Moyer, finishing fourth in the event with a time of 3:21.50 to earn a meet-best 40.75 points – clinching the program’s first Finals team championship since 1997.

Chippewa Valley was runner-up with 38 points, while Rockford was third at 36 points.

St. Joseph senior Gerald Capaccio scored 18 precious points for his team, most notably winning the discus with a throw of 167-2. Capaccio said he was in second going into his last throw.

“I just had the mindset that everyone can have a big throw, and it just has to be me that gets the big throw,” Capaccio said. “It happened on my final throw.”

Capaccio also was second in the shot put with a throw of 56-11¼.

In addition to Capaccio earning big points in the shot put and discus, Rose gave credit to high jumper Joshua Scott for finishing in a tie for seventh in that event. That gave the Bears two points that proved to be especially important as the team won by less than one.

It’s rare when a runner does something that hasn’t been achieved since before automobiles were invented, but Ann Arbor Huron senior Braxton Brann had that distinction.

Brann won the 110 hurdles and the 200 dash, becoming the first athlete to win those two events at the same state meet since 1895 – three decades before the MHSAA was formed.

First, Brann won the 110 hurdles in a time of 13.77. In the 200 dash, Brann ran a winning time of 21.12.

“Everybody comes in looking at the stats of everybody else,” Brann said. “I saw I was in the best position to win. But I knew I had to run by butt off against this great field and come out with a win.”

Just about everyone in the stadium did a double-take when Northville’s 3,200 relay time was posted. The team of Brandon Latta, Brock Malaikal, David Whitaker and Brendan Herger set an MHSAA all-Finals record with a blistering time of 7:35.32, which also was the best time in the nation for 2023.

Lake Linden-Hubbell, Stephenson Take Different Roads in D3

Lake Linden-Hubbell got to the top with first-place power. Stephenson won only two events. But there are multiple ways to win an MHSAA Finals championship in track & field. And the Lakes and Eagles tied for the Upper Peninsula Division 3 girls title in 2023.

Lake Linden-Hubbell got a little assist from two-time reigning champion Ontonagon in the final event, the 1,600 relay. The Lakes led in the standings by eight points, but they didn’t have a 1,600-meter relay team. Stephenson could have won the team title with a win in that event, but Ontonagon’s relay team forced the Eagles to settle for the runner-up spot in the race and the eight points that come with it.

The Lakes last won team Finals titles during a three-year run from 2017-19. For Stephenson, it had been since 1993 when the team competed in Class C. The Eagles were runners-up in 2022.

Lake Linden-Hubbell sophomore Emily Jokela entered with the fastest Regional times in all four of her events, and she won all four of them at the Finals – the 100, 200, 400, and 300 hurdles. She became just the sixth female to win four individual events at an MHSAA Finals.

The only event she didn’t win a year earlier was the 100 dash; she has that now. The only school record she didn’t have going into the Finals was in the 200; she has that now as well. She broke it by one tenth of a second.

“It feels great,” Jokela said. “I was very worried about running today because it was so hot.”

Her 300 hurdles time of 45.63 seconds set a UPD3 Finals record. Ontonagon’s Lori Wardynski had the record before (47.27).

Teammate Abi Codere repeated in the 100 hurdles, and their 400 relay team (Codere, Rebecca Lyons, Isabella Tampas and Cleo Milkey) also won.

Stephenson’s wins came in the 3,200 relay (Faith Cappaert, Joelle Beaudou, Kayela Putnam and Jada Kuntze) and the long jump (Sarah Labs).

Ontonagon also won the 800 relay (Lilly McIntyre, Alli Bobula, Kylee Uotila and Makannah Uotila).

Newberry’s Kaylen Clark won the 1,600 and 3,200 runs. She was the runner-up at the UPD3 cross country meet in the fall and in both events at the UPD2 track meet last season.

Speedy Sprint-Distance Tandem Carries Buckley to 1st Crown

Buckley capitalized on the balance of junior distance star Aiden Harrand and freshman standout sprinter Brooklyn Fraeze to rack up the points needed to win the Lower Peninsula Division 4 track & field championship with 52 points last June at Hudsonville.

The team title was Buckley's first in girls track & field.

Harrand won the 1,600 for the third-consecutive year and added titles in the 800 and the 3,200, leading her team to the championship. Those three wins followed her cross country Finals championship from the fall.

"I think it's kind of fun," she said about racking up the titles. "My team motivates me, I mean we're in it as a group and my points matter, so I do it for them.

"It was a cool experience to have, winning those two," she said about the two longest races, the 1,600 and 3,200, which were the hardest of the overall meet due to the low 90s/high 80s heat and searing sun all day. Race officials allowed the unique opportunity for coaches to spray the runners with water and give them water bottles.

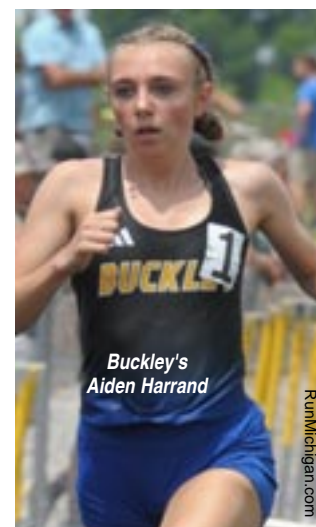

"The water on the backstretch was so nice, and I'm really glad it was there," Harrand said about the unusual experience. "My coaches were spraying me, and that was so nice to have.

"And our girls took first overall, so we're really excited for that. Me and Brooklynn (Fraeze) had lots of points, and our 4 x 400 (eighth place) got us the last points we needed. It was amazing, and this is why we do it."

Fraeze, a freshman, won 100 dash with a personal best of 12.47. She added a runner-up finish in the 200.

"I was like, oh my gosh I'm doing it, the finish line is right there," she said about the last 10 meters of the 100, as she finished just ahead of Molly Brown of Addison (12.57).

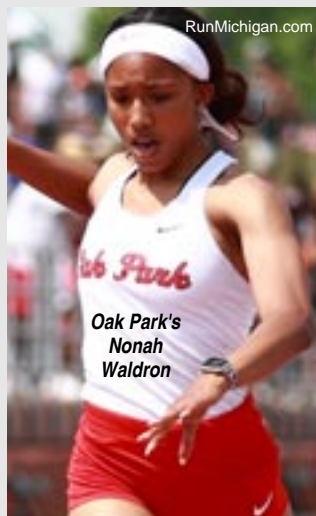

Brown later won the 100 hurdles.

Oak Park's
Nonah

LP Division 1 Girls: For the fourth time in five seasons, Oak Park's girls captured the LP D1 team title – this time with a meet-best 80 points. 2022 champion Detroit Renaissance was second with 58 points, while Ann Arbor Pioneer was third at 56.

The Knights – runners-up in '22 – won again mainly thanks to their dominance in the hurdles. Senior Nonah Waldron won the 100 and 300 hurdles, but also Morgan Roundtree was third in the 100 (13.86) and second in the 300 (41.54) and Carrie VanNoy was fourth in both the 100 (14.18) and 300 (44.11).

The Knights also were second in the 400 relay (47.71) and 800 relay (1:38.21), and third in the 1,600 relay (3:55.27).

LP Division 2: The only common denominator that Kaitlyn Molnar can think of between her two sports is that brief feeling of pure freedom as she soars through the air. The Grosse Ile junior added an MHSAA long jump title to her D3 diving championship earned during the fall, with a leap of 18-feet, 5 inches.

While Molnar's individual exploits were impressive, East Grand Rapids successfully defended its team title with 50 points, 16 better than runner-up Sturgis.

Among the Pioneers champions was the 3,200 relay team (9:28.17) and the 1,600 relay (3:58.18), while junior Drew Muller repeated in the 1,600 (4:56.01) and senior Camryn Bodine won the 800 (2:11.53).

On the boys side, Corunna won the team title with 41 points, using its depth to outlast Mason and Forest Hills Eastern, which tied for second with 35. Corunna had only two firsts, in the 400 relay (42.63) and Wyatt Bower in the long jump (22-8½).

LP Division 3: Benzie Central captured its first MHSAA Boys Track & Field Finals title, powered by Hunter Jones' three individual championships: 800-meter run (1:57.60), 1,600 run (4:17.48) and 3,200 (9:10.19). The Huskies totaled 51 points to hold off runner-up Pewamo-Westphalia, which tallied 44. Jones holds Division 3 Finals records in the 800 and 1,600, and he missed the Finals record in the 3,200 by 1½ seconds.

In the girls competition, Hart captured its second-straight LPD3 Finals championship and third in six years. And the Pirates did it with a pair of sophomores leading the way in Jessica Jazwinski and Addi Hovey. Hovey took first in high jump with a leap of 5-4, and she placed third in the 100-meter dash in 12.53. Jazwinski finished first in the 3,200 run (10:57.99), second in the 1,600 (4:58.86) and third in the 800 (2:16.22).

LP Division 4 Boys: Kalamazoo Hackett Catholic Prep took home its fourth team title in the last five Division 4 Finals. Hackett's only individual title was taken by senior discus winner Nathan Buchmann.

Jaylin Townsend, a senior from Flint Beecher, dominated the short races. He won the 100 (10.67) and 200 at 22 seconds flat. It was his third 100 win at a Finals.

UP Division 1: The Marquette boys had a little more breathing room in 2023 than a year earlier when they defeated Kingsford by just one point. They were 20 points better than the Flivvers this time around to claim a third-straight championship. Like the team, Marquette's Carson VanderSchaaf won an event for the third straight year – the 3,200-meter run in 9:55.25. He might have had two titles, but his brother Colin, also a senior, gave Carson a runner-up finish in the 1,600 by less than two seconds.

After finishing runner-up to Negaunee in 2022, Marquette's girls took back the championship last June, relying on the sprints and relays. Marquette's Julia Ott won the 100 and 200-meter dashes, defeating teammate Baux Truckey, the two-time reigning champion in both races. Truckey got the win in the 400. Marquette's relay wins came in the 400 (Hailey Bolf, Sophie Skytta, Bella Coleman and Ott) and the 800 (Meghan MacPhee, Seina Lingle, Skytta and Truckey).

UP Division 2: The Pickford boys moved up a division after winning the 2022 UP D3 title. And it didn't faze them a bit. They dominated the field, finishing with 151 team points. In the process, Pickford ended the Ishpeming's four-year run on top of Division 2. The Panthers won nine of the 17 events. Hayden Hagen won all of the distance events and David Kozisek won both of the hurdle races along with the high jump and long jump to become just the ninth male athlete to win four individual events at an MHSAA Finals. Brayden Altoft took home a first in the shot put as did the 400 relay team (Cole Warner, Kendrick Brace, Altoft and Owen McConkey).

On the girls side, Bark River-Harris repeated as team champ after winning for the first time in school history in 2022. The Broncos had 100 points, 13 better than runner-up Ishpeming. Individually, Ishpeming's Lola Korpi won for the third time in the 800, 1,600 or 3,200, while West Iron County's Danica Shamion got the three-peat in the 100, 200 and 400 dashes.

UP Division 3 Boys: Munising's Micaiah Peramaki led the Mustangs to the team title with individual wins in the 100, 200 and 400. He was also a part of the winning 1,600 relay team. Other members of the 1,600 relay were Kane Nebel, Zack Lindquist and Josiah Peramaki.

Josiah Peramaki repeated with a win in the pole vault.

Munising won the team title with 103.5 points. Newberry was second with 81, Bessemer third with 52 and Rapid River fourth with 44.

School Spirit is Defining Difference in HS Sports

As Education-based sports in our nation's schools are different than any other level of competition.

Youth leagues and club sports often require significant entry fees, and in many cases, the focus is on competitive success with little concern for skill development, team building or sportsmanship.

High-profile college sports have been disrupted by issues concerning media contracts, NIL and the transfer portal, with the environment a bit like the "Wild West" on campuses throughout the country.

Professional sports, of course, are about the most elite performance, entertainment and winning championships.

Sports in our nation's 19,800-plus high schools instead are much more focused on education, relationships, team unity, having fun and school spirit.

School spirit is perhaps the defining difference between interscholastic and other levels of sports – having pride in one's school, maintaining a connection to the school and coaches for life, supporting all school teams and programs whether a participant or a fan, and contributing to the bond between school and community.

On an individual basis, pride is a key component of school spirit. Students who become involved in sports take pride in their teams and school and tend to carry that pride to their future careers after high school.

High school sports have the potential to boost the spirit of communities as well. There are countless examples every year but one such community was the small town of Fertile, Minnesota, located about 270 miles northwest of Minneapolis. In 2021, Jude Olson, a junior on the Fertile-Beltrami High School nine-player football team, was killed in an accident, which shook the approximately 1,000 residents of Fertile.

Last year, however, the Fertile-Beltrami football team provided a positive boost to the town with an undefeated regular season and a first-ever trip to the Minnesota State High School League Nine-player State Football Championship at U.S. Bank Stadium in Minneapolis.

According to an article in the Grand Forks (North Dakota) Herald, many of the town's residents did not have the means to make the five-hour trek to the game. As a result, local businesses and farmers donated \$25,000 for five charter buses to make sure every fan who wanted to make the trip had a free ride to the game.

"It means a lot to the whole town," said Jodie Strem, the co-owner of Fertile Oil Company. "We want (the players) to look in the stands and see us and know we are there for them. We are coming down full force."

While the Fertile-Beltrami Falcons lost to LeRoy-Ostrander in the MSHSL Nine-player Championship, the players and the 274 fans who made the journey will remember much more than the outcome of the game.

This is school spirit at its core and why high school sports are different.

High school activity programs boost the spirit of individuals, teams and communities. Research indicated that in 2020 when these programs were shut down because of the pandemic, the mental health of students was drastically compromised.

In the post-pandemic world, there are fewer face-to-face meetings. High school activities have played a major role in bringing people back together. We know that when schools have strong school spirit, communities respond with support and increased attendance.

School spirit and sportsmanship go hand in hand. If school spirit is channeled in a positive way, and expectations for good sportsmanship are communicated and enforced by school administrators, positive fan experiences will occur.

A survey several years ago by Varsity Brands concluded that high school students with school spirit performed better academically, were more engaged in social and civic matters, and were happier in general than their less-spirited peers.

The survey indicated that the benefits of school spirit are not just confined to the school years. The study suggested that school spirit can have lasting effects, including higher aspirations for continuing education and greater success in later life.

We are pleased to report that Varsity has commissioned a new research study, which will examine the post-pandemic educational landscape and attempt to understand how the return to in-person schooling has influenced school spirit and its profound impact on student learning, leadership and personal growth. We look forward to sharing the results of this survey down the road.

As the calendar turns to 2024, it is a great opportunity to renew commitments to these programs that involve more than 12 million participants in sports and performing arts – programs that foster and celebrate school spirit.

The Michigan High School Athletic Association/Farm Bureau Insurance Scholar-Athlete Award has been recognizing the top student-athletes for 35 years. Applicants for the Scholar-Athlete Award must meet the following criteria: A minimum cumulative grade-point average of 3.5 on a 4.0 scale; and must have previously won a varsity letter. Applicants also show involvement in other school and community activities; submit two letters of recommendation and a 500-word essay on the importance of sportsmanship in educational athletics.

Recipients of the 2023-24 Scholar-Athlete Award receive a \$2,000 college scholarship to be used at the college, university, or trade school of their choice during the 2024-25 school year. This year, a total of 1,607 applications from 445 schools were received for the 32 scholarships. Class A students were guaranteed 12 winners, Class B eight winners, Class C six winners and Class D four winners. Two at-large winners were also selected.

Student Advisory Council Aids MHSAA

Eight student-athletes who will be juniors at their schools during the 2024-25 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of MHSAA championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2024-25 are: **Itzel Albarran**, Bronson; **Harper Barnhart**, Brownstown Woodhaven; **Diamond Cook**, Southfield Christian; **Henry Ewles**, Pontiac Notre Dame Prep; **Cole Haist**, Big Rapids; **Frannie Keeley**, Jenison; **Trey LaValley**, Romeo; and **Ethan Stine**, Bridgman.

Those eight new members were selected from 90 applicants. The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 142 schools from 51 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 10 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition)

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

This school year, the Council handed out championship trophies at Finals events, led sessions during four Sportsmanship Summits and provided assistance at the Women In Sports Leadership Conference, provided feedback to the MHSAA Representative Council on proposed rule changes, worked on a mental health initiative, and wrote the script for a public serv-

ice announcement on adult spectator sportsmanship that will be included in broadcasts beginning this upcoming school year.

The new additions to the SAC will join the Class of 2025 members who were selected a year ago: **Cale Bell**, Sault Ste. Marie; **Drew Cady**, Oxford; **Macy Jenkins**, Milford; **Isaiah Kabban**, Harbor Beach; **Ella Knudsen**, Leland; **Kaylee Kranz**, Clinton; **Joey Spada**, Kalamazoo Central; and **Aynalem Zoet**, Grandville Calvin Christian.

MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, non-public schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.
