GIRLS VOLLEYBALL TOURNAMENT MANAGER MANUAL **(Alphabetical by topic)**

ADMISSION – Ticket prices for the MHSAA Volleyball Tournament are \$7/person at the District matches, \$9/person for Regionals, \$10/person for Quarterfinals, and \$11/person for Semifinal and Final matches. All tickets will be sold via GoFan. Passes or a pass list for contestants should be supplied to a maximum of 15 players in uniform for each competing team and five adults/managers.

Passes - League passes, coaches' passes, local booster club passes, officials' association passes, etc., are not to be honored at any tournament. There are no passes to be honored except those distributed by the local management for supervision purposes. Managers are urged to issue complimentary tickets for visiting school administrators for the purpose of crowd supervision. Complimentary tickets should be limited to the school's administration and/or designated security staff. A written plan suggesting placement, duties, and contacts should be available to persons acting in these capacities. There is to be no free admission for college coaches.

BANDS – Pep Bands are not allowed at the MHSAA District, Regional and Quarterfinal games.

CROWD CONTROL - During contests, officials will penalize under applicable sportsmanship or playing rules student-athletes or coaches who leave the field of play and contact or approach spectator areas for celebrations. Each school shall assign an acceptable number of crowd control supervisors to be stationed in front of its student cheering sections. These individuals are to be admitted into the contest, enforce this policy and include a school administrator. Each tournament manager or the MHSAA Staff will determine the acceptable number of crowd supervisors necessary for each school dependent on the situation.

At the conclusion of contests, prior to or after the awards are presented, athletes shall not enter spectator areas or physically contact spectators in the stands. After awards are presented, athletes may approach their spectators (e.g. stand in front of their sections while on the field of play) but for safety reasons athletes are not to enter or physically contact spectators in the stands. Crowd supervisors are to ensure that spectators do not press the facility and possibly cause damage.

The cost for repair or replacement to facilities damaged as a result of celebrations shall be paid by the school involved directly to the host facility within 30 days of the bill being submitted to the school. MHSAA reimbursement or revenue sharing will be withheld until paid by the offending school. Future tournament hosting privileges or school reimbursements to offending schools may be withheld if payment is not made.

COMMUNICATION WITH PARTICIPATING SCHOOLS – Managers must prepare information packets for participating teams at all levels as follows:

District – The MHSAA will determine the draw/bracket 10 days before the start of Districts. Managers should determine the date, time, and location of the semifinals and finals prior to the draw, preferably at the beginning of the season. When the District draw is determined, managers should work with schools to gather game dates and times for First Round games, and immediately give them to the assigner and the MHSAA (the next day at the latest). In addition, managers should provide information to competing schools regarding the time schedule, location of the gymnasium, directions, locker room access (or lack of) and all other pertinent details of the tournament.

Regional - Managers must prepare a winning team packet for each District Manager to give to the winning team. This packet should include: (a) map with directions to Regional gymnasium, (b) date and starting time of the game, (c) location of dressing and shower facilities, (d) host school facility rules, (e) parking arrangements for buses or cars of competing schools. The District Tournament Manager shall give the packet to the winning team.

Quarterfinal – Managers must prepare a winning team packet for each Regional Manager to give to the winning team. The packet should include directions/map to the Quarterfinal gymnasium location, time schedule, location of locker rooms, parking arrangements for school vehicles and host school facility rules. Make sure the winning team packet is at the Regional site for distribution by the manager to winning teams prior to the Regional Championship game.

CONCUSSION PROTOCOLS –“Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.” The language above, which appears in all National Federation sports rule books, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. This language reflects an increasing focus on safety and acknowledges that the vast majority of concussions do not involve a loss of consciousness. This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care professional for an exact determination of the extent of injury.
2. If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
 - a. The clearance may not be on the same date on which the athlete was removed from play.
 - b. Only an M.D., D.O., Physician’s Assistant or Nurse Practitioner may clear the individual to return to activity.
 - c. The clearance must be in writing and must be unconditional. It is not sufficient that the M.D., D.O., Physician’s Assistant or Nurse Practitioner has approved the student to begin a return-to-play progression. The medical examiner must approve the student’s return to unrestricted activity.
 - d. Individual school, districts and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening and post-concussion testing prior to the written clearance for return to activity.
4. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA if the situation was brought to the officials’ attention.
5. Member schools are required to complete and submit the forms designated by the MHSAA to record and track head injury events in all levels of all sports.
6. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.

[Return to Activity & Post-Concussion Form](#)

DATES/TIME SCHEDULE – The MHSAA Volleyball Tournament dates are as follows:

Districts –Nov 4 -- Nov. 9. Matches may be played throughout the week, but the District Final may not be played earlier than Thursday, November 7. A team may not play more than one match per day. If a team has to play back-to-back days, the opponent must also play back-to-back days.

Regionals – Semifinals - Tuesday, November 12 | Final -Thursday, November 14

Quarterfinals – Tuesday, November 19

DRAW PROCEDURES (NEW in 2024-25) – District hosts do not need to host a draw meeting. The District bracket will be determined by the MHSAA and posted to the MHSAA website on the Sunday 10 days before the District tournament starts. Within 24 hours after the District draws have been posted, hosts should finalize first-round game days, times, and locations and notify the MHSAA.

SEEDING: The top two teams in each District will be determined by the Michigan Power Rating formula (see the MPR section later in this document). The two seeded teams will be placed on the opposite side of the bracket, which ensures that they cannot meet until the District Final. The #1 seed will be placed on line 1 and the #2 seed will be placed on line 5 – this will guarantee placement on the top line and could give them a home game when the game is not played at the designated host school.

In Non-Traditional Districts, designated hosts will host all games they are competing in. If the designated host is not competing in a contest, the seeded teams have the first priority to host, followed by the team on the top line of the bracket. A random formula will then specify where to place the non-seeded teams on the bracket. Go to the MICHIGAN POWER RATING portion of this document to read about how MPR is used to seed the teams.

All brackets in all sports using the MPR seeding methodology to identify the top two seeds will be drawn to guarantee the seeded teams receive byes if a bye exists in the bracket. If one bye is in the bracket, it shall go to the #1 seed. If two byes are in the bracket, the byes will go to the #1 and #2 seeds. Home games are not guaranteed for seeded teams.

Scores should be entered in the MHSAA.com Score Center IMMEDIATELY after games. If a score is not entered within three hours of the scheduled start time, both ADs and both coaches will receive an automated email reminder. Consider assigning this task to your scorekeeper, manager, reliable parent, or assistant who can easily become a registered user on MHSAA.com and enter scores from their phone.

All matches of at least two games will be used for calculating MPR. This includes pool play matches which feature only two games. These matches could end in a tie.

The team on the top of the bracket is the home team at all levels of tournament competition.

- The District host's team may play ALL of its games at home, regardless of its position on the bracket.

When a team withdraws from the District Tournament after the draw has taken place the following procedures will apply:

- **Four or eight-team District:** The bracket position of the team that withdraws is vacated, its opponent advances, and no re-draw is held.
- **Five-team District:**
 - If the team that withdraws did not receive a bye in the initial draw and is in the bracket position for a first-round game, the bracket position of the team that withdraws is vacated, its opponent advances to the semifinal, and no re-draw is held.
 - If the team that withdraws was scheduled to play the winner of the first-round game, move the two first-round opponents directly to the semifinal.
 - If the team that withdraws received a bye into the semifinals and is scheduled to play another team that received a bye (resulting in its opponent advancing directly to the District Final without playing a game), then a re-draw of all remaining teams is required by the tournament manager.
- **Six or seven team District:** If the team that withdraws did not receive a bye in the initial draw and is in the bracket position for a first-round game, the bracket position of the team that withdraws is vacated, its opponent advances to the semifinals, and no re-draw is held. If the team that withdraws received a bye into the semifinals in the initial draw, move the two corresponding first round opponents directly to the semifinal.

DISTRICTS & REGIONALS CONTAINING UPPER PENINSULA TEAMS –

A. DISTRICT ROUNDS

1. Non-traditional draws will be mandated for Districts comprised of:
 - a. All Upper Peninsula teams, or
 - b. A combination of Upper Peninsula teams and northern Lower Peninsula teams, or
 - c. 7 or 8 team groupings in any location of the state.
2. In a and b, if all participating teams agree, a traditional draw may be conducted.
3. Once the host school reports the draw type (traditional or non-traditional), no change will be made.

B. REGIONAL ROUNDS

1. Geographically neutral sites will be selected in regions that include more than one (1) District located entirely in the Upper Peninsula.
2. Based on Upper Peninsula Athletic Committee recommendations, each sport site selection committee will finalize hosts at their May meetings.

NON-TRADITIONAL FINANCIAL - Each alternative site should be treated the same as the selected site and be responsible for conducting each game date using the existing financial forms for revenue sharing.

DRONE POLICY -- For the purposes of this policy the word “drone” applies to all Unmanned Aerial Vehicles. The policy is written for all MHSAA tournament contests. Local laws and policies control all regular-season contests.

Drones are prohibited for all indoor tournament contests in all sports. For outdoor sports, local, state, and federal laws govern the use of drones. Drones may never be flown over spectators, athletes, or the playing surface. All drones must stay outside of the “restraining line” or the normal footprint of the playing surface. This includes never flying over bleachers, press box, or anywhere that spectators sit or gather for a contest. The operator of the drone must be registered with the FAA and follow local, state, and federal law when flying the drone. [Register Your Drone](#).

Drones can never be used for the purposes of scouting opponent’s games or practices. Non-school facilities reserve the right to restrict drones on their property. An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.

FORMAT – All matches in the MHSAA Tournament will be best three of five games with rally scoring. Teams may not play more than one match per day.

FINANCES/EXPENSES – The Financial Report Form must be returned to the MHSAA as soon as possible following the completion of the tournament. All revenue and approved expenses should be included in the report. The MHSAA will not

reimburse tournament managers for scorebooks, ball chasers, assistant managers, hospitality supplies, or unnecessary additional security. If a non-traditional draw is used, each host school is responsible for filing a financial form.

Failure to return the required financial reports within 30 days after the Final will cause the host school to lose any expense reimbursement.

Audit of Tournament Host Reports – All MHSAA tournament sports sites are subject to audit. These sites are to be randomly selected and require documentation of all income and expenses. Tournament expenses different from regular season host site expenses in that same sport will require justification before said expenses are approved for payment to or retention by the host site.

FORFEITURES/USE OF INELIGIBLES - Failure to be ready for play by twenty (20) minutes after the scheduled starting time of the match will result in forfeiture unless the team in question has communicated with tournament management of a delay due to unforeseen circumstances.

Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate or teams or individuals found to be in violation of contest limitations or maximums do not advance in MHSAA tournaments. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements or receive awards for those places.

GAME BALL/OFFICIAL BALL – A (royal) blue, grey and white volleyball must be used. Any brand with the NFHS authenticating mark is approved for tournament play at District competition. The Baden Perfection game ball will be provided for all Regional, Quarterfinal, Semifinal and Final matches. A list can be found on the National Federation of State High School Association's web site: www.nfhs.org

Since the host school keeps the volleyballs, the cost of volleyballs is not an expense that the MHSAA reimburses. The ball may be one used during regular season.

INTRODUCTIONS - When introducing teams prior to the match, no special recognition should be given to one team, especially a home team, which would not be given to the opponent. The pre-match protocol suggests teams line up on their end line for introductions.

INJUNCTION/RESTRAINING ORDER - Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA tournaments: "In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition)." If the meet has begun, it shall be completed.

MEDICAL EMERGENCY POLICY - Host School Tournament Managers should follow all local school district policies regarding medical emergencies for participating athletes, coaches, student and adult spectators for competition conducted in school facilities. It is advised that AED devices be readily available during tournament competition. In addition:

- Trainers are an allowed expense and encouraged, but not required
- All MHSAA concussion protocols will be followed.
- MHSAA policy on tornado watches and warnings shall be followed.
- MHSAA policy on managing heat and humidity shall be followed.

When MHSAA tournament contests are conducted at non-school facilities, plans should be developed for the following needs and/or circumstances:

- Student, coach and spectator shelter for outdoor events
- Host facility emergency equipment such as AED's, fire escape, etc.
- Emergency communications, i.e. phone numbers, school administration contact
- Coordination with facility management regarding evacuation, first aid, on-site responsibilities
- Medical transport or first responder contact procedures
- Proximity/directions of nearest medical facility

MEDIA NOTES – For information on credentials, locker room privacy policy, microphones, photographers, flash photography, postgame interviews, press box, results, streaming (audio and video), and videotaping, go to this [Media/Streaming Information PDF](#).

Here are a few important sections, some specific to volleyball:

- **PHOTOGRAPHY** - Photographers should not be positioned inside the boundary of playable areas.
- **RESULTS/SCORE REPORTING** – Tournament results should be reported to the MHSAA immediately after games, not the next morning. Scores of bracketed tournaments should be entered in the Score Center on the MHSAA web site or emailed to results@mhsaa.com. Host schools are responsible for informing local media and the major daily newspapers.
- **STREAMING – AUDIO & RADIO** – Outlets are required to submit a broadcast application for postseason events with the MHSAA. Approval or denial emails will be sent to both the outlet and host school. Outlets are encouraged to check with the host school before applying to check on space/equipment needs. There is no limit to the number of outlets that may stream audio – as long as the host can accommodate them. In the regular season, outlets do not need 7 to submit broadcast applications but need permission from the host school to provide an audio stream.
- **STREAMING - VIDEO (REGULAR SEASON)** – Video streaming during the regular season is allowed by the home/host school in a couple of different ways. If the home/host school is a member of the NFHS Network, they must stream games to the NFHS Network first and foremost. They can also produce a stream to broadcast on a school-controlled page (separate from the NFHS stream). Additionally, NFHS Network members can partner with local media to broadcast regular season home games on the media outlet's channel/website. Schools that are not members of the NFHS Network can stream regular season home games to a school-controlled webpage. Refer to the Multimedia Regulations for more information.
- **STREAMING - VIDEO (POSTSEASON)** - The broadcast and streaming rights of MHSAA postseason tournament events belong exclusively to the NFHS Network, Bally Sports Detroit, the MHSAA, and those media outlets that have pre-arranged to secure those rights. Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet - including using social media platforms or any other method. Likewise, individual spectators are also prohibited from live streaming video through any means. Participating schools are responsible for informing their students, parents, and other fans of this policy and to assist the MHSAA upon request in enforcing it.

MERCHANDISING - Concession stands, whether operated by school or non-school groups, must confine sales to non-alcoholic beverages, edible items and general school spirit items that were available at regular-season home contests. The selling of tournament-related merchandise is limited to programs offered by the MHSAA and its authorized vendors, which may be in contact with you regarding their availability. Such programs may include, but are not limited to, the following categories: T-shirts, DVDs and photography. Regardless of the availability of such authorized programs, schools may not produce their own tournament-specific merchandise items to sell at MHSAA tournament sites.

MICHIGAN POWER RATING (MPR) – The Michigan Power Rating (MPR) formula will be used for boys and girls basketball, boys and girls soccer, ice hockey, girls volleyball and boys and girls lacrosse. MPR is simply winning percentage times 25%, plus opponents' winning percentage times 50%, plus opponents' opponents' winning percentage times 25%. Ties count as half a win and half a loss.

The only games calculated for MPR are games played between teams that will play in the MHSAA tournament. Games that do not count include games against out-of-state schools, games versus JV teams, games against varsity B teams, games against non-school club teams, and games against MHSAA schools that are not playing in the tournament.

MPR only looks at who won and who lost – or who tied. MPR does not look at scores or margin of victory. It does not matter if you are home or away. Games at the beginning of the season are weighed the same as games at the end of the season. Scrimmages are not used in the calculation.

The most current MPR for each school can be found at <https://www.mhsaa.com/sports/volleyball/mpr>. This page updates every 5 minutes, so after a score is entered into the system, visitors can quickly see how the result affects each team's MPR.

Schools must enter game schedules to MHSAA.com prior to the season. Games entered into Arbiter should automatically migrate to the MHSAA website. All other games can be manually entered. Schedules can also be edited throughout the season. Call the MHSAA if you are having issues.

The final score must be submitted after each game is completed. If no score is submitted three hours after the scheduled start time, an email reminder will be sent to both athletic directors and coaches. This is a crowd-sourced system—anyone with an MHSAA login can enter a game score. Schools should take advantage of this and instruct an assistant coach, a parent, or a student to make sure all scores are posted to the system.

Only games played and scores reported through the District reporting period, 10 days before the tournament, will be included in calculations. Unreported scores and games played but missing from the published schedules will not be included. The formula needs some time to start making sense. There will be many anomalies at the beginning of the season, but once each team has about 10 results reported, the MPR numbers will start to fall into place. Remember to be patient early in the season.

By Representative Council action, May 2011, a Quarterfinal site may be changed if either team (not requiring both teams) has inordinate travel (140 miles or more one way). MHSAA staff will select an alternate site if an appropriate site is available. (This will not alter the opportunity for MHSAA staff to also change sites when the venue is not located between the two opposing schools, is significantly distant from one or both schools, but is less than 140 miles away from either school one way.)

RESCHEDULING POLICY - If an MHSAA tournament meet or contest is postponed or suspended because the facility becomes unusable or as a result of acts of persons or nature, and the playing rules require that the meet or contest must be played or resumed, the meet or contest must be played or completed on the first available subsequent date, at the same facility. If that facility is unavailable at any future time within the tournament schedule, MHSAA staff shall determine if other facility options are available. If no reasonable options exist, the contest(s) shall not be played and a coin toss or tosses will determine which team or teams shall advance to the next level of the tournament. If it is the championship game of the entire tournament series, co-champions shall be named and awards provided.

REFUND POLICY - Refunds on admission tickets or parking are not provided by the MHSAA for postponed or suspended MHSAA tournament meets or contests, or for such meets or contests that are terminated before their normal conclusion for any reason. Tickets shall be honored for admission to a rescheduled or resumed contest.

SPECTATORS/NOISEMAKERS – Use of artificial noisemakers is prohibited at MHSAA indoor tournament competition. Examples of artificial noisemakers are whistles, cowbells and air horns. Tournament managers have the authority to restrict use of any devices which in their judgment disrupt the integrity of the competition, compromise officials rulings or cause significant problems for other spectators.

SPORTSMANSHIP – MHSAA Regulation V, Section 3 applies in all tournament contests, including the following provisions:

Unsporting Conduct in Previous Contest - A player or coach who is ejected during a contest for sportsmanlike conduct shall be withheld by his/her school for at least the next day of competition for that team. If a school fails to enforce the subsequent disqualification with respect to one of its students or coaches, the tournament managers or any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Player Suspension - A suspended player is treated as an ineligible player, which means that student shall not participate. It is permissible, but is not recommended, that the player may sit with the team, even in uniform. The minimum requirement is that the suspended student shall not enter the contest as a participant. **Coach Suspension** - Suspension from coaching requires at least that the coach not be at or near the team bench before, during or after the contest, not be in or near the locker room before, during or after the contest, and not give instructions directly or indirectly to coaches or players from any position in or near the gymnasium or field of play.

Multiple Disqualifications/Abuse of Officials- Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

The school of the disqualified coach or player must prohibit that person from being present on the property of the tournament venue for the remainder of the tournament series. If that school fails to enforce this, the tournament manager, any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Taunting - In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench personnel or contestant from the contest/day of competition (and the next contest/day of competition). A warning may be given but is not required before ejection.

Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

TEAM LIMITS - A team may dress a maximum of 15 members. Only team members in uniform will be permitted to sit on the team bench. The Team Roster and Master Eligibility List may include as many players as desired by the school; however, the tournament roster must list a maximum of 15 players. In addition, 5 individuals (Coaches, Managers, and Trainers) may receive passes. (Exception: If the varsity team has had more than 15 players, every match the entire season, all players may advance.)

Bench Personnel - Tournament Managers will limit the number of non-players, such as statistician, trainer and assistant coach allowed on the team bench at tournament matches.

TOBACCO AND ALCOHOL POLICY - Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

TROPHIES/MEDALS –The MHSAA Tournament trophies and medals will be provided by one company, ESCO of Milwaukee, Wisconsin. You will notice a new trophy design and some design changes in medals as well, with a much more efficient process of production, ordering and delivery working with one company.

Tournament managers will receive both trophies and medals together in one shipment from ESCO. The box containing the trophies and medals should be opened immediately upon delivery and inspected for accurate amounts, engraving, etc. Tournament managers should contact ESCO directly (not the MHSAA) at 800-852-4266 with any questions or problems regarding trophy and medal shipments.

Trophies and 15 individual medals will be awarded to District and Regional champions in each division. Champion and second place teams receive trophies and 15 individual medals in each Division at the MHSAA Finals.

WARMUP POLICY - A warm-up area or court is suggested. Teams should be permitted to warm-up prior to competition on the main court but a minimum of 20 minutes on main court must be provided.

Pre-match warm-ups at MHSAA tournaments will be 20 minutes in length, broken down to include 4 minutes with each team on one half of the court (no volleyballs are to cross over the net). Four minutes for the home team, the next 4 minutes for the visiting team, the next 4 minutes for the home team, and then 4 minutes for the visiting team.

WITHDRAWAL POLICY - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairing, heat assignments or flight are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.
