# 2023 MHSAA Team Wrestling Finals

**Feb. 24-25, 2023**

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

— **Mark Uyl**

# TIGERS BACK ON TOP IN D4

The Hudson wrestling team is not used being absent on the state's biggest stage. The Tigers, who made 12 straight MHSAA Division 4 Team Finals from 2009 through 2020, winning eight times along the way, did not advance to the championship match in 2021 and had last won one in 2019.

But in dominating fashion, Hudson climbed back atop the Division 4 throne last February at Wings Event Center with a 47-13 title match win over familiar championship rival New Lothrop.

The Tigers earned their trip back to the Final with impressive wins over LeRoy Pine River in the Quarterfinals and St. Louis in the Semifinals.

"These boys have been through some real trials, not just the wrestling season, but life in general," Hudson coach Scott Marry said. "And not just these kids, but all kids."

Things began to look up for Hudson in the fall, and have continued through the winter.

"We just won a football state championship, and most of them were on this wrestling team that just won this," Marry said. "They are just so excited about the competition, and it's almost like they are reborn."

Reborn and driven, as the Tigers won the first two matches of the Final with Logan Sallows and Cameron Kimble decisions at 189 and 215 pounds, respectively.

But the Hornets, who are no strangers to wrestling for state titles, showed some resolve in the next three matches as Isiah Pasik won by fall at 285 pounds, Blake Wendling won by major decision at 103 pounds and Daven Lockwood won by decision at 112.

From there it was all Hudson, which won the dual's final nine matches.

And now the Tigers are back on top.

"We are all blessed," said Marry, whose team ended with a 22-4 record. "In Hudson we believe in Hudson-trained. We believe in three-sport athletes, and these kids bought into that."

## DIVISION 3

### Lowell 46, Goodrich 16

When asked about his team's unprecedented success, Lowell wrestling coach RJ Boudro admits that the recipe for success is not that hard. It's all about family.

Boudro's Red Arrows won their ninth straight Division 2 championship, and 12th overall, by defeating Goodrich in the 46-16 in the 2022 Final at Wings Event Center in Kalamazoo.

"I have coached these guys since they have been knee-high," Boudro said. "I have been coaching at Lowell for 15 years; some of the guys on this team weren't even born when I started. It just starts getting more personable, and that is what coaching is really about. Making relationships, and relationships grow stronger. I love these kids, and I love their families – they support you a lot."

You could tell the closeness of this year's Lowell team all weekend in Kalamazoo, as the Red Arrows marched through Bloomfield Hills Brother Rice in the Quarterfinal and then Gaylord in the Semifinal to set up a rematch with the Martians in the title match.

Goodrich got on the scoreboard first with 189-pounder Cameron Macklem's pin in 1 minute, 36 seconds.

Lowell got on the board thanks to one of its senior leaders, as Carter Blough – the top-ranked 215-pounder in Division 2 – won by technical fall, 22-7.

Lowell went on to win six of the next seven matches after Blough's impressive victory, setting the tone for another team title heading back home to Lowell.

## DIVISION 1

### Davison 29, Detroit Catholic Central 21

All Josh Barr needed to do to clinch Davison's second-straight Division 1 Team Wrestling Finals title was not get pinned against the top-ranked wrestler in the state. The Penn State commit figured the best way to avoid that was just win.

**Barr (right)** defeated Detroit Catholic Central's Manny Rojas 4-3 at 171 pounds, winning a battle of nationally ranked wrestlers and securing a 29-21 championship win for his team.

"Just believing in myself and my coaches," Barr, a junior, said. "We train so hard every single day just for moments like these. I prepare for every situation I could be in. I walked out there with full confidence in my coaches, God and my training and just let it take care of itself."

It was the 10th Finals title for the Cardinals, who had defeated Catholic Central by a very similar 29-24 score a year earlier. It was the third-straight year these two teams had met in the championship match, as Catholic Central won the 2020 title 34-23.

Barr versus Rojas was a marquee match and fitting end to a dual between two of the state's greatest all-time powers.

The match was tied at 2 heading into the third period, and Rojas, who is committed to Iowa State, scored an escape early to take a 3-2 lead. Barr was able to get a takedown in the final minute, and held off a reversal attempt as time ran out.

A pin from Rojas was a big ask in that situation, and Catholic Central coach Mitch Hancock knew that as he sent his senior star onto the mat.

"Compete, have fun and wrestle hard," Hancock said recalling his words to Rojas before the match. "If he gets in a position to put him on his back, so be it."

Catholic Central (14-4) even having a chance was set up by back-to-back tight wins by Darius Marines at 152 (2-1) and TJ Bunn at 160 (5-3 in overtime).

## DIVISION 4

### Dundee 55, Alma 12

It had to be Casey Swiderski. The best way to cap off another dominant season for Division 3's dominant wrestling program was by having its most dominant wrestler on the mat for the final match.

Swiderski won by pin to close out Dundee's 55-12 2022 Division 3 Final victory against Alma at Wings Event Center. It was the fifth-straight Finals title for the Vikings.

"Nothing beats that, man," Swiderski said. "It's crazy that's the weight that was drawn. It's awesome. No better feeling than this right here."

The Vikings (17-4) have now won eight of the past 10 Division 3 Finals titles, and 14 total. They've made at least the Final in each of the past 11 seasons.

"It's the first time in our school's history that we've won five in a row," Dundee coach Tim Roberts said. "Where this team was when we started the year, I knew we had a lot of good guys coming back."

As the match ended, Roberts and Swiderski shared an embrace on the edge of the mat.

Swiderski was one of multiple returning individual champions and top-ranked wrestlers for the Vikings, who actually fell behind 9-0 in the dual. Jacob Munger opened with the decision for Alma, and Adam Garcia won by pin at 215 to get the Panthers' crowd on its feet.

It only took 45 seconds, however, for Dundee to take a lead it wouldn't relinquish, as Kaiden Hubbell (285) and Ashton Viers (103) each won with first-period pins.

That was the beginning of 10 straight victories for the Vikings. Kyle Smith (119), Braeden Davis (125), Logan Sander (140) and Aiden Davis (152) won by pin, Kaden Chinavare (135) won by major decision, and Kade Kluce (112), Cameron Chinavare (130) and Trey Parker (145) each won by decision.

## Sportsmanship Extends to Online Behavior

**W**ith the changes that have occurred in college sports the past couple of years, high school sports is truly the last level of pure amateur competition in our country – and the NFHS and its member state associations want it to remain that way.

As football, volleyball, soccer, cross country and other sports begin this fall, high school coaches and athletic/activity directors will be involved in preseason meetings to emphasize the expected outcomes of education-based sports, as well as speech, debate, music, theatre and other programs.

Among those fundamental values of education-based activities that must be discussed is sportsmanship, or good sporting behavior. More than winning, more than learning the skills of a sport, a focus on sportsmanship has been one of the defining elements of high school sports and other activities for more than 100 years.

Along with maintaining the sound traditions of sports and minimizing the risk of injury, NFHS playing rules encourage sportsmanship, and the first page in all NFHS rules publications includes a statement noting that “each athlete is responsible for exercising caution and good sportsmanship.”

In the past, with an emphasis on conduct on the playing field or court – or in the auditorium or rehearsal hall – sportsmanship has been defined as those qualities of behavior that are characterized by generosity and genuine concern for others. More so than preparing students to play sports or another activity at the next level, one of the significant goals of education-based high school sports and activities is helping the 12 million-plus individuals in these programs to become responsible citizens.

And in today’s online world dominated by hand-held devices, that goal has become more challenging. Now, messages to students in high school sports and other activities about sportsmanship must be communicated before they hit the practice field or court because one inappropriate post, tweet or message could alter their lives forever.

At the recent virtual National Student Leadership Summit hosted by the NFHS, Christina Jontra of Neptune Navigate, one of the newest NFHS corporate partners, discussed the need for good sportsmanship online as much or more so than on the court or field.

In the digital age in which we live, participants in high school activity programs need to be aware that

their character and respect for others should be the same, whether in the sport or activity itself, or online.

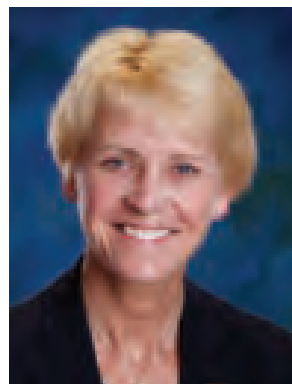

As the popularity and influence of social media continues to surge, it is imperative that student-athletes, as well as coaches, administrators, parents and everyone involved in education-based athletics, are aware of the ways they can endanger themselves with their online behavior and understand the techniques they can employ to prevent that from happening.

In her recent presentation, Jontra noted five characteristics of good sportsmanship online – honesty, compassion, respect, responsibility and courage. Just as a student would respect an opponent on the field or in the debate room, the same must occur online.

At preseason meetings this fall, coaches and athletic/activity directors should encourage students in their programs to be mindful of online contact with individuals on opposing teams – particularly any bantering that could be perceived as cyberbullying. As Jontra mentioned in her message during the NSLS, hurtful words can ruin a person’s life forever.

Fortunately, during the season, the millions of high school students involved in sports and performing arts have less free time to spend online on a daily basis, but the time spent must be done in a positive manner. Not only could damaging words on social media affect a student’s chances for an athletic scholarship, inappropriate messages could also negatively impact future job possibilities as employers are more actively auditing social media.

Whether the setting is before hundreds of people at an actual game or event, or a private experience alone online, positive and respectful behavior should be the choice every time.

# Student Advisory Council Aids MHSAA

**E**ight student-athletes who are now juniors at their schools have begun their two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2022-23 were: **Kannon Duffing**, Manchester; **Claire Gorno**, Gaylord; **M'Khi Guy**, Muskegon; **Dawsen Lehew**, Marcellus; **Christian Sanders**, Detroit Renaissance; **Ben Sytsma**, Grand Rapids Christian; **Madeline Werner**, Bay City All Saints; and **DaNia Womack**, Dearborn Advanced Tech Academy.

Those eight new members were selected from 115 applicants. That applicant total was the second-most ever, with the last three years featuring the three highest totals.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 129 schools from 48 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in nine MHSAA sports, and seven will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. In addition to assisting in the promotion of the educational value of interscholastic athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership. This school year, the Council presented

## Student Advisory Council Belief Statement

*As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.*

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

*The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.*

at the 2022 Sportsmanship Summit series, helped create content for a new online Captains Course, handed out championship trophies at Finals events, and provided feedback to the MHSAA Representative Council on proposed rule changes.

The afore-mentioned members joined the Class of 2023 members who were selected a year ago: **Sam Gibson**,

The next group of applicants will be selected in April. Visit the Students page of MHSAA.com for the application.

# The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# Discover a better way to get recruited with Hudl.

Empower athletes to manage their own recruiting journey. Whether they've got DI or DIII abilities—they all have access to Hudl's college recruiting tools to make sure the best athletes get noticed regardless of whether a college coach is able to attend their events.

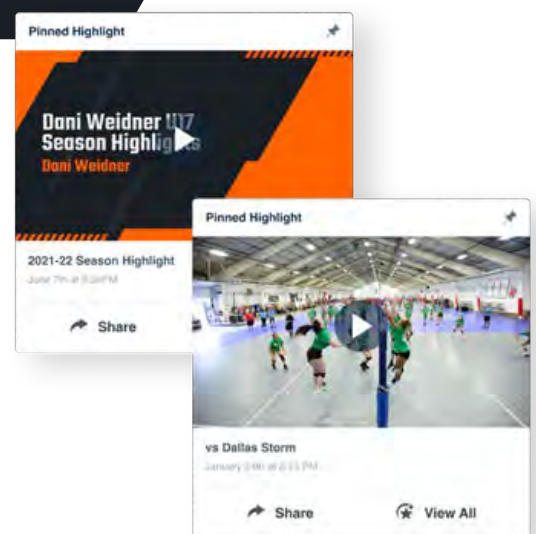

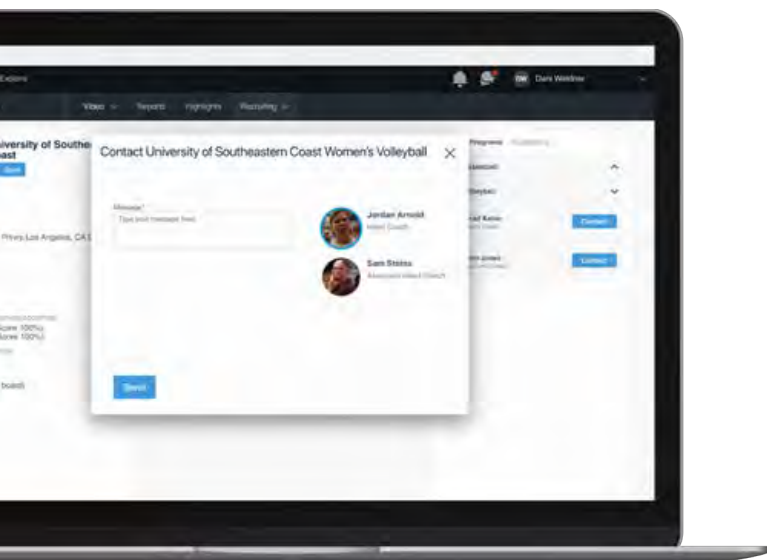

## Get your athletes noticed

### Opt in to recruiting

Athlete's can allow their Hudl profile to be viewed by registered recruiters, this is the best way to let programs know who they are and what skills they could bring to their team.

### Athlete profile

Each athlete's profile gives recruiters the content they need to help evaluate a recruitable player including contact info, academic and athletic stats, highlights and full game videos.

### Highlight tools

Highlights from individual games or showcase their skills from the whole season with easy to use highlight tools that include spot shadows and arrows to help a college coach identify the correct athlete on the court or field.

### Full game videos

Each athlete's Hudl profile showcases full game videos which means you and your staff no longer have to download game videos from Hudl to email to college coaches.

### Search and contact tools (NEW)

Athletes can easily find and connect directly with programs that are the right fit for their interests and ability with Hudl's college search and contact tools which provide the college coach's direct contact info immediately.

# FINALS NOTES

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Team Wrestling Finals are: **Trent Anderson**, Kalamazoo; **Drew Lesko**, Tecumseh; **Ronald Nagy**, Hazel Park; **Scott Strickler**, Lapeer; **David Gonzalez**, Holt; **John Bishop**, Allegan; **Jeremy Bewley**, West Branch; **Thomas Arsenault**, Dearborn. Congratulations to this year's Final officials. If you are interested in becoming a registered contest official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at **MHSAA.com**.

## Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, nearly 10,000 game officials and 50,000-plus administrators and coaches at over 1,600 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program. The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA would like to thank **The Kalamazoo Wings Event Center** for its work in hosting the 2023 MHSAA Team Wrestling Finals. Coordinating the Finals from the MHSAA office are **Dan Hutcheson**, **Sam Davis** and **Jamie VanderMoere**. Site managers are **Karyn Furlong**, athletic director at Richland Gull Lake HS, and **Chris Furlong**, teacher and coach at Portage Northern HS. Results by **TrackWrestling**.

## MHSAA Finals Coverage on the Web

Live streaming of all matches from the Team Finals is available on **MHSAA.tv**. Visit the same site for archived video of all matches. A subscription for the month is \$10.99. Visit **MHSAA.com** Website for bout-by-bout results, and **TrackWrestling.com** for Live Scoring.

## MYWAY Supports the Finals

The MHSAA thanks the Michigan Youth Wrestling Association (MYWAY) for the generous donation of lanyards for wrestlers and coaches for the Team and Individual Wrestling Finals. Additionally, thanks to the MYWAY Southwest Region for its support of the dozens of volunteers who assist at this weekend's tournament.
